BY AUTHORITY.

Proposed Amendment to the Constitution.

AN ACT

TO AMEND ARTICLES 48, 56, 59, 62 AND 63 OF THE CONSTITUTION AND TO ADD A NEW ARTICLE TO THE CONSTITUTION TO BE CALLED ARTICLE 83.

Be it enacted by the King and the Legislature of the Hawaiian Kingdom:

SECTION 1. Article 48 of the Constitution is hereby amended so that said Article shall read as follows:

"Article 48. Every Bill which shall have passed the Legislature shall, before it becomes law, be presented to the King. If he approve he shall sign it and it shall thereby become a law, but, if not, he shall return it, with his objections, to the Legislature, which shall enter the objections at large on their Journal and proceed to reconsider it. If after such reconsideration it shall be approved by a two-thirds vote of all the elective members of the Legislature, it shall be returned to the King for signature, but, if such signature shall again be refused, then it shall become a law. In all such cases the votes shall be determined by yeas and nays, and the names of the persons voting for and against the Bill shall be entered on the Journal of the Legislature. If any Bill shall not be returned by the King within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the Legislature by their adjournment prevent its return, in which case it shall not be a law."

SECTION 2. Article 56 of the Constitution is hereby amended so that said Article shall read as follows:

"Article 56. A Noble shall be a male subject of the Kingdom, who shall have attained the age of twenty-five years and resided in the Kingdom three years, and shall be the owner of taxable property in this Kingdom of the value of three thousand dollars over and above all encumbrances, or in receipt of an income of not less than six hundred dollars per annum."

SECTION 3. Article 59 of the Constitution is hereby amended so that said Article shall read as follows:

"Article 59. Every male subject of the Hawaiian Islands, of Hawaiian, American, or European birth or descent, who shall have attained the age of twenty years, and shall have paid his taxes, and shall have caused his name to be entered on the list of voters for Nobles for his District, shall be an elector for Nobles, and shall be entitled to vote at any election of Nobles, provided:"

And also that the clause numbered second of said Article 59 shall be amended to read as follows:

"Second. That he shall own and be possessed in his own right of taxable property in this country of the value of not less than one thousand dollars over and above all encumbrances, or shall have actually received an income of not less than six hundred dollars during the year next preceding the registration for each general election."

SECTION 4. Article 63 of the Constitution is hereby amended so that said Article shall read as follows:

"Article 63. No person shall sit as a Noble or Representative in the Legislature unless elected under, and in conformity with, the provisions of this Constitution."

SECTION 5. Article 62 of the Constitution is hereby amended so that said Article shall read as follows:

"Article 62. Every male subject of the Kingdom, of Hawaiian, American, or European birth or descent, who shall have taken an oath to support the Constitution and laws in the manner provided for electors of Nobles; who shall have paid his taxes, who shall have attained the age of twenty years, and shall have been domiciled in the Kingdom for one year immediately preceding the election; and shall know how to read and write either the Hawaiian, English,

or some European language, (if born since the year 1840,) and shall have caused his name to be entered on the list of voters of his District as may be provided by law, shall be entitled to one vote for the Representative or Representatives of that District, provided, however, that the requirements of being domiciled in the Kingdom for one year immediately preceding the election, and of knowing how to read and write, either the Hawaiian, English, or some European language, shall not apply to persons residing in this Kingdom at the time of the promulgation of this Constitution, if they shall register and vote at the first election which shall be held under this Constitution."

SECTION 6. A new article in addition to, and in amendment of the Constitution, to be called Article 83, is hereby added to said Constitution to read as follows:

"Article 83. The Legislature may from time to time enact such laws as it may deem proper for the supervision and control and identification of all persons or any one class or nationality who may be introduced into the Kingdom for the purpose of performing agricultural labor, and may also, by law, restrict and limit the term of residence in the Kingdom of such agricultural laborers and the business or employment in which they may engage."

I hereby certify that the foregoing Bill passed its Third Reading in the Legislature of the Hawaiian Kingdom on the 10th day of November, A. D. 1890.

CHARLES WILCOX, Secretary.

TO ARTICLE 55 OF THE CONSTITUTION OF 1887, AS PROVIDED FOR BY ARTICLE 82 OF THE SAID CONSTITUTION.
